

THE NEW YORK TABLE TENNIS LEAGUE

Editorial

Today we have started this newsletter to give you all news about the club league.

During the last weeks we had some meetings and I have sent information to all clubs in New York. Finally we have some teams and we are ready to start.

As was said for Lao Tzu: "This journey of one thousand miles begins with a single step".

Thank you and good luck to the teams.

Mauricio Vergara

About the New York Table Tennis League:

The NYTTL is a club league, similar to other leagues around the world. Here are the most important guidelines or rules for this league:

1. This is a club league. Every club can participate only with two teams.
2. Teams have minimum three players. One of the members can be from other club, but only when his rating is under 2000.
3. We will play world cup system. The system is best of 9. And every match will be played to the best of 5 games.
4. Every team has to wear the same t-shirt. Players with different t-shirt will be disqualified.
5. Every team has to play one match local and one math as guest. If the club is not able to host a match, we will find a new location.
6. We will have trophy for the first three teams (one cup or similar). Sponsors are welcome, we need medals, and whatever you think will be a good prize.
7. Every player will play at his own risk.
8. Teams have to use a name representing the club where they are members or regular players.

Delegates Confirmed:

Passaic Club: **Marcos Monzon** - marcmonz9@aol.com

NYTTF: **Robert Chen**: (212) 966-2922,
