

## Editorial

Our videos in YouTube have more than 1000 visits since we started the league. We can assume that it means over 100 players (media of 10 per player), which is a success considering that we have no invested in marketing. We are in the middle of the league and Passaic is leading the competition. Everybody is invited to see the matches and enjoy the league.

## PASSAIC and AERO, a friendly match

Passaic team led by Marcos and using some substitutes players, Harvey and Icah, had not problems to beat Aero by 5-0 in their visit to Passaic TT Club in NJ. It was grateful to see 2 good young Aero players in this competition: Robby and Angelo who had a good performance. Icah and Harvey did their part. Passaic thus reaffirms its favoritism playing at home.
