Hola a todos, espero que les guste el Nuevo formato del noticiero de la liga,. La liga ha ido creciendo e incluso hemos recibido solicitudes de nuevos clubes para incorporarse a ella, asi que veremos la posibilidad de hacer una Segunda serie.

Tambien hemos iniciado contacto con los clubes de California para que ellos comiencen su propia liga de clubes y podamos jugar una final nacional de clubes campeones de liga, en lo que podriamos llamar el "Desafio East Coast versus West Coast".

Veo muchos cambios en tomada en Chile, Helleman lapicero y leo Nuñez clasico.

New Director of Regulations

Harvey was appointed as the new Director of Regulations of the New York Table Tennis League: He will be in charge of creating the Manual of Regulations with all guidelines, rules and pretty much everything we are using for running the league. So we can share the information with other club in other states. Also he will help us to keep track of the results. Good luck Harvey!!!.

The Experience

Passaic keeps winning and winning. Showing us why they were the winners in 2008.

Players Disqualified

An interesting debate in our league was generated for the victory of Brownsville Strikers over Dominican Association, since Brownsville Strikers played the match against Dominican Association wearing different t-shirts. Finally due the Regulations of our League, all matches played without the t-shirt were eliminated, so the winner was Dominican Association for the score of 5-2, no points were granted to the loss matches
