It was the longest trip in the New York Table Tennis League. A team from New York travel to Maryland for the first match of the League 2010. Dominican Association overcomes all problems they had, they came to Maryland Table Tennis Club and did a great match, against a promising and young team.

Just the previous day, four teams played too: Passaic Table Tennis Club against NYTTF B, and NYTTC vs ANYTME. In this opportunity we had a great level in all the matches, many players with ratings over 2200.

I am glad that things are working well for the league and teams. We had great level, fun and exciting matches. Most important than that, was the friendship and team work showed for all teams.

Hola amigos. Hace algunas semanas viajamos la distancia mas larga en la liga, 4 horas de ida a Maryland, donde el club ANYTME jugo contra Maryland Table Tennis Center. Los dominicanos superaron varios problemas que tenian, para poder asistir a la cita deportiva. Se enfrentaron con un joven y prometedor equipo de juvenes.

El Viernes previo , cuatro clubs tuvieron tambien su primer partido. Passaic en contra de NYTTF B y Dominican Association contra NYTTC.

Estoy contento , pues la liga va bien, y clubes, jugadores y delegados han mostrado buen trabajo de equipo.
