

Photography Competition

Austin Youth Table Tennis Tournament

Aug 17, 2013

It's been known that taking good shots for table tennis is challenging. We would also host the first photography competition along with the Youth Tournament. Whoever has a camera and is interested in taking shots of the kids is encouraged to attend. Please send us at most 5 of your best shots (short videos is ok too) and we'll select the top 10 for an open online vote. Onsite registration (free) is required and gift cards will be awarded accordingly.
