Welcome to the League 2015!!, For the new players, this is going to be a very exciting contest, sharing a division with the top players in the region, and playing in the best locations in the NorthEast.

There are more information in our blog **Here**, just look at the left corner, and you will find a menu, with schedule, players and regulations. It took me a while to figure out this!! I think this year the league will have different attractions for all enthusiasts of Table Tennis, some

players will join the teams, other players will enjoy watching the games. We will play only once a month, so it's not time consuming.

As usual, if anyone feels like volunteering some work in the league, just let me know, this year we need Photographers with high speed cameras.

I didn't want to include too many pictures, I know players want to know the schedule, there is also a couple of issues regarding our regulations, in case two teams have same score. But overall we are all set.

Thank you

Mauricio
